Experience

Sep. 2022 - Present

Nashville, TN

Screenworks - NEP Live Events

Shop Technician

As a Shop Technician, I handle a variety of tasks including preparing orders for clients, testing and repairing LED panels, setting up and disassembling cameras, assisting with load in and load out from incoming tours, delivering equipment to clients, and help to ensure that various warehouse duties are attended to as needed.

May - Aug 2022

Williamsport, PA

Williamsport Crosscutters

Camera Operator

As a Camera Operator, I captured live video during home games which is shown on a video screen in the stadium, as well as b-roll footage for promotional materials. Additionally, I attended game day meetings to go over our pre-planned schedule, and coordinate with other operators to ensure that all game day events had camera coverage.

Feb - June 2022

Williamsport, PA

Nexstar Media Group, Inc.

News Photographer

As a News Photographer, I captured and edited video and photos for use in daily television broadcasts. I also conducted and edited on camera interviews, pitched story ideas to producers and anchors, and serviced studio equipment.

Aug. 2021 - Jan. 2022

Williamsport, PA

The Williamsport Sun-Gazette

Reporter

As a reporter, I wrote stories covering daily news and events in the greater Williamsport area on a strict deadline. I also captured and edited photographs, conducted in-person and over the phone interviews, generated social media content, and pitched story ideas to my editors.

Education

2018 - 2021

Indiana, PA

Indiana University of Pennsylvania

Bachelor's Degree in Communications Media
Production - Certificate in Photography

Graduated Summa Cum Laude with a cumulative 3.97 GPA and 4.0 major GPA
