## Experience

---

**2022**

Williamsport, PA

### Williamsport Crosscutters

Camera Operator

As a Camera Operator, I capture live video during home games which is shown on a video screen in the stadium, as well as b-roll footage for promotional materials. Additionally, I attend game day meetings to go over our pre-planned schedule, and coordinate with other operators to ensure that all game day events will have camera coverage.

**2022**

Williamsport, PA

### Nexstar Media Group, Inc.

News Photographer

As a News Photographer, I captured and edited video and photos for use in daily television broadcasts. I also conducted and edited on camera interviews, pitched story ideas to producers and anchors, and serviced studio equipment.

**2021 - 2022**

Williamsport, PA

### The Williamsport Sun-Gazette

Reporter

As a reporter, I wrote stories covering daily news and events in the greater Williamsport area on a strict deadline. I also captured and edited photographs, conducted in-person and over the phone interviews, generated social media content, and pitched story ideas to my editors.

**Summer 2021**

Washington, D.C.

### The DACOR Bacon House

Photographic Intern

As a Photographic Intern, I moved and photographed hundreds of historical antiquities over the course of a summer using a portable lighting set up. I also captured images of a meeting of the White House Leadership Development Program Fellows.

## Education

---

**2018 - 2021**

Indiana, PA

### Indiana University of Pennsylvania

Bachelor's Degree in Communications Media  
Production - Certificate in Photography

Graduated Summa Cum Laude with a cumulative 3.97 GPA and 4.0 major GPA
